Campus Sexual Violence Elimination Act

VAWA
Violence Against Women Act

Compliance Report Including LCAD Policies,
Procedures, Education and Resources

2020-2021

Introduction

On March 7, 2013, President Barack Obama signed a bill that strengthened and reauthorized the Violence Against Women Act (VAWA) enacted in 1994. Included in this bill was the Campus Sexual Violence Elimination Act (Campus SaVE), which amends the Jeanne Clery Act and presents additional rights to campus victims of sexual violence, dating violence, domestic violence and stalking.

The purpose of this addendum is to increase transparency about the scope of sexual violence on campus, provide crime statistics, guarantee victims enhanced rights, provide for standards in institutional conduct proceedings and provide campus community wide prevention and educational programming in both public and private colleges and universities participating in federal student aid programs.

LCAD Statement

Laguna College of Art+Design (LCAD) is dedicated to complying with Campus SaVE and VAWA and to protecting our community of students, full-time and part-time faculty members, full-time and part-time staff members, models, student workers and visitors to the LCAD Campus. The College has put together the following report that outlines our obligation to the community and our commitment to perform the following:

- A. To report crime statistics in a timely manner
- B. To disclose security related information and timely warnings
- C. To set and enforce policies and procedures related to victim's rights
- D. To develop and conduct disciplinary proceedings

- E. To provide resources and tips to victims of crimes
- F. To Provide primary prevention and awareness programs
- G. To train our community on sexual violence

The College is dedicated to maintaining a safe and secure living, learning and work environment for the entire LCAD community. This includes an environment free from sexual harassment, sexual assault, domestic violence, dating violence and stalking. A violation of the Campus SaVE and/or LCAD Code of Conduct shall constitute grounds for disciplinary action. Disciplinary action that results from sexual misconduct may include dismissal from the College or termination of employment. The College disciplinary action is independent from, and may be in addition to, any criminal or civil penalties.

All complaints of sexual misconduct should be brought to the immediate attention of the Title IX Coordinator/Provost, Dr. Hélène Garrison, 949-376-6000 x240 or by emailing hgarrison@lcad.edu. LCAD will act on any complaint of sexual misconduct in order to resolve such complaints promptly and equitably.

Community laws and LCAD's policies may sometimes overlap but do not substitute one for the other. LCAD may pursue enforcement of its own policies whether or not legal proceedings are underway. The College also may use information from local law authorities and the court to determine whether there is a violation of College policies.

Unlawful Harassment – Policy for LCAD Employees

LCAD is committed to providing a work environment free of unlawful harassment. College policy prohibits sexual harassment and harassment based on pregnancy, childbirth or related medical conditions, race, religion (including religious dress and grooming practices), color, sex (including breastfeeding), gender, gender identity or expression, sexual orientation, national origin, ancestry, citizenship status, uniform service member status, marital status, age, medical condition, disability, genetic characteristics or any other basis protected by Federal, State or local law or ordinance or regulation. All such harassment is unlawful. The College's anti-harassment policy applies to all persons involved in the operation of the College and prohibits unlawful harassment by any employee of the College, including supervisors and managers, as well as vendors, students, independent contractors and any other persons. It also prohibits unlawful harassment based on the perception that anyone has any of those characteristics, or is associated with a person who has or is perceived as having any of those characteristics. Prohibited unlawful harassment includes, but is not limited to, the following behavior:

- Verbal conduct such as epithets, derogatory jokes or comments, slurs or unwanted sexual advances, invitations or comments;
- Visual displays such as derogatory and/or sexually-oriented posters, photography, cartoons, drawings or gestures;
- Physical conduct including assault, unwanted touching, intentionally blocking normal movement or interfering with work because of sex, race or any other protected basis;
- Threats and demands to submit to sexual requests as a condition of continued employment, or to avoid some other loss and offers of employment benefits in return for sexual favors; and
 - Retaliation for reporting or threatening to report harassment.

LCAD employees should report every instance of inappropriate conduct to their managers or other managers, regardless of whether you or someone else is the subject of the conduct. You also may contact LCAD's Human Resources Department to report inappropriate conduct. Employees will be asked to provide details of the incident or incidents, names of individuals involved and names of any witnesses.

While written complaints are not mandatory, they are the best method for communicating complaints. Managers will inform the President of all harassment complaints. The College will undertake an appropriate investigation of the harassment allegations. If the College determines that unlawful harassment has occurred, effective remedial action will be taken in accordance with the circumstances involved. Any employee determined by the College to be responsible for unlawful harassment will be subject to appropriate disciplinary action, up to, and including termination. The College will not retaliate against you for filing a complaint and will not tolerate or permit retaliation by management, employees or co-workers.

The College encourages all employees to report any incidents of harassment forbidden by this policy immediately so that complaints can be quickly and fairly resolved. You also should be aware that the federal Equal Employment Opportunity Commission and the state Fair Employment and Housing Department investigate and prosecute complaints of prohibited harassment in employment. If you think you have been harassed or that you have been retaliated against for resisting or complaining, you may file a complaint with the appropriate agency.

Campus Security Authorities (CSA): An official of LCAD who has the responsibility for student and campus activities that are both academic and social in nature. These CSA's are appointed by the college to deal with matters that are related to student discipline and campus judicial proceedings. They are the persons who have the authority and the duty to take action or respond to complaints, breaches of student code of conduct and any other criminal violations on campus.

Title IX Coordinator: The "Title IX Coordinator" oversees the College's response to reports and complaints that involve possible sex discrimination to monitor outcomes, identify and address any patterns, and assess effects on the campus climate, so the College can address issues that affect the wider school community. Pursuant to Title IX of the Education Amendments of 1972 and the U.S. Department of Education's implementing regulations at 34 C.F.R. Part 106, the College's Title IX Coordinator has primary responsibility for coordinating the College's efforts to comply with and carry out its responsibilities under Title IX, which prohibits sex discrimination in all the operations of this College, as well as retaliation for the purpose of interfering with any right or privilege secured by Title IX. Sexual misconduct against students, including sexual harassment, sexual assault, rape, and sexual exploitation, can be a form of sex discrimination under Title IX.

Crime Reporting and Timely Warnings to the LCAD Community

LCAD is committed to complying with all federal laws including reporting crime statistics related to the Jeanne Clery Act, which include crimes related to the Violence Against Women Act. Clery Act crimes are reported in our Student Handbook which can be found on our main website under Consumer Information and at my.lcad.edu. Campus crime statistics are also reported in the Annual Security Report each year reviewed by the Department of Education.

The Clery Act requires institutions to give timely warnings of crimes that represent a threat to the safety of students or employees. Institutions are required to publish their policies regarding timely warnings in their Annual Campus Security Report. The institution is only required to notify the community of crimes, which are covered by the Clery statistics and poses an ongoing or serious threat to the rest of the community. We are committed to keeping the individual or individuals of alleged victims confidential when sending out warnings.

LCAD places a high priority on keeping the community safe while on our campus. There are a few ways that have been created to inform the community of critical campus and community issues. Our emergency alert system, OMNILERT is the fastest way to communicate. A text message will be sent to the entire LCAD community alerting you of safety and other important

events with any instructions and/or updates. It is important for LCAD Community members to keep their phone numbers up to date by using Self-Service. E-mail blasts to students, staff and faculty members also will be sent out. The message on LCAD's main telephone line (949- 376-6000) will be changed indicating any instructions or updates.

Each fall and spring semester, a test of our OMNILERT system is conducted to ensure that the community is receiving emergency notifications.

Reporting Options

In case of any emergency on campus, the LCAD community should call 911 immediately and contact Campus Safety at 949-715-8034. All victims of sex offenses, domestic or dating violence and stalking are encouraged to report crimes to the local authorities only after getting to a place of safety. Know that this is not your fault and you need to get the help that you need.

Reporting to Police:

We encourage all members of the community to report any emergencies or crimes to the Laguna Beach Police Department (LBPD). Reporters of a crime who wish to remain anonymous should inform LBPD that this is a SaVE case and that they choose not to state their names.

After the authorities have been called, and if safe, please report the situation to the Campus Security Authority at the Reception Desk either in person or call Campus Safety at 949-715-8034.

Important Phone Numbers:

- 911 (If on campus, 911 calls will be directly routed to the LBPD)
- Campus Safety 949-715-8034

LCAD has a good working relationship with the LBPD and the Laguna Beach Fire Department (LBFD). The city departments have familiarity with our physical campus locations.

Reporting to LCAD Administration:

Anyone in the LCAD community who feels they have been subjected to, or is aware of someone being subjected to domestic violence, sexual violence, sexual harassment, dating violence or stalking is encouraged to report immediately to one of the following College administrators.

- Title IX Coordinator/Provost: Helene Garrison, Ext. 236
Director of Campus Safety: Jim Wooley, Ext. 296
Campus Safety Officers: 949-715-8034
Director of Human Resources: Caroline Carlson, Ext. 287
Campus Receptionists: Ext. 221, 299, & 304

LCAD staff and faculty are obligated and expected to report all crimes against students addressed in this statement, of which they become aware, to the Title IX Coordinator/Provost, Dr. Hélène Garrison. LCAD staff and faculty employees include anyone who is hired by LCAD as an employee and performs work for LCAD including: full-time and part-time staff, full-time and part-time faculty, models and student workers.

The College Administrators listed above are trained to assist victims with notifying law enforcement if the victim so chooses and to provide them with internal college complaint forms and procedures. Complainants may also decline to notify such authorities and have the right to keep their identity confidential.

The person reporting the incident should also be referred to the Student Complaint Form, which can be found at my.lcad.edu.

Preserving Evidence

Contacting local authorities ensures that you will receive the necessary medical treatment and tests, at no expense to you. Filing a police report immediately will also allow for proper collection of evidence. It is extremely important that evidence is preserved to prove Sexual Violence, Domestic Violence, Dating Violence or Stalking or to request temporary restraining orders of alleged respondent.

If you are a victim of the crimes listed above, it is highly recommended that you not perform any of the following until after you have spoken to the authorities and visited a medical facility. If you are a victim of an act of sexual violence, it is recommended that you avoid the following in order to preserve evidence.

- Bathing or showering
- Douching
- Using the restroom
- Changing clothes
- Combing hair
- Cleaning up the crime scene
- Moving anything the offender may have touched

All evidence should be collected in the first 72 hours after the assault has occurred. Regardless if a student showers or changes clothing, a rape kit still can be collected. Having a rape kit completed does not mean that the case will go to court or that the individual must file criminal charges.

It is reminded that students may always request the assistance of LCAD personnel to assist in the notification of law enforcement.

Confidentiality and Protective Measures

LCAD is dedicated to keeping victims' confidentiality protected, but cannot ensure confidentiality in all cases. Every effort will be made to limit the information shared to

administrators, faculty members, school counselors, etc. and only when absolutely necessary. Identities will only be disclosed to the direct university officials reviewing the case and may include local authorities (in some cases). While record keeping, we will keep documentation private and protect the confidentiality of the victim. No LCAD employee, including the Title IX Coordinator, should disclose the victim's identity to the police without the victim's consent or unless the victim has also reported the incident to the police.

LCAD requires all College employees, with the exception of our Mental Health Counselor to share with the College's Title IX Coordinator information they learn concerning a report of sexual assault, or an incident of domestic violence, dating violence or stalking. Failure by a LCAD employee to maintain privacy in accordance with LCAD policy will be grounds for discipline. The Title IX Coordinator will then conduct an investigation of the incident and determine whether additional steps are required in order to ensure the safety of the community. Please note that the Complainant can choose whether or not to be involved in the investigation.

Reports and information received by LCAD's Mental Health Counselor are considered legally protected or privileged under California State Law. The Mental Health Counselor shall only report information if the Complainant is in imminent danger or a third party is in imminent danger.

Such crimes must be reported in the annual Clery Act Annual Security Report (ASR). Although the crime will be reported, identities and information that may personally identify the victim will not be reported in the ASR.

The College prohibits retaliation of any kind to anyone, including LCAD students, full-time and part-time faculty members, full-time and part-time staff members, models and student workers who reports or is involved in an incident of sexual harassment, sexual assault, domestic violence, dating violence and stalking. The same is true of Title IX Cases. LCAD's non-retaliating policy is explained and provided during the initial contact with all involved in the investigation and case.

The College is committed to creating a safe environment for all community members and to victims of crimes that occur on campus. LCAD will provide a letter to victims outlining options for available assistance in academic situations, working situations, living situations and other protective measures. Victims can request accommodations from the College by providing their requests in writing and submitting it to the Title IX Coordinator. Providing such accommodations are reasonably available, LCAD will work with students in creating adjustments in the situations listed above and to protect the victim from encountering the accused while ensuring the victim's safety. The College also reserves the right to enforce a Stay-Away or No Contact order to the Respondent whether or not the Complainant has reported the incident to law authorities.

Laguna College of Art and Design has a zero tolerance policy regarding all criminal actions that take place on the LCAD campus including those that are above mentioned. All incidents of crimes that fall under Campus SaVE Act or Title IX will be handled in a prompt and fair way with an impartial investigation and resolution.

College investigation proceedings may be instituted against a student charged with violation of a law, without regard to the pendency of civil litigation or criminal arrest and prosecution. Proceedings under the Code of Conduct may be carried out prior to, simultaneously with, or following civil or criminal proceedings off-campus.

LCAD will choose to handle all criminal incidents on campus in the following manner.

- **Investigation of Complaint**

In the event of criminal cases related to the Campus SaVE Act or Title IX, the Title IX Coordinator will review the complaint. The standard of proof is by a preponderance of evidence, meaning that it is more likely than not that the event occurred. The Title IX Coordinator will conduct an investigation to determine if the complaint has merit and/or if it can be disposed of administratively by mutual consent of the parties involved on a basis acceptable to the Title IX Coordinator. The Title IX Coordinator shall have the power to require the accused student and any witness to the alleged violation to appear before him/her, and to collect evidence relevant to the charges. Administrative disposition, which occurs with the consent of the parties, shall be final and there shall be no subsequent proceedings or appeal. If the charges cannot be disposed of by mutual consent, the Title IX Coordinator shall impanel the Disciplinary Committee.

- **Student Conduct Committee**

The Registrar, Vice President of Admissions and two Faculty Senate representatives shall conduct such proceedings as members of the Disciplinary Committee.

- **Presentation of Charges to Student**

All charges shall be presented to the accused student in written form stating what the student is accused of doing. A time shall be set for a hearing, not less than three nor more than ten business days after the student has been notified. Maximum time limits for scheduling of hearings may be extended at the discretion of the Title IX Coordinator.

- **Rights of Respondent and Complainant**

During any disciplinary proceedings, the accuser and accused are entitled to the same opportunity to have others present, including the opportunity to be accompanied to any related meetings or proceedings by any advisor of their choice. Both the accuser and the accused must be informed of the outcome of any institutional disciplinary proceeding brought alleging a sex offense. Both parties will receive unconditional notification of outcomes of hearing, sanctions and terms of sanctions in place. Any decision by the Disciplinary Committee at this time becomes final.

- **Outcome of Disciplinary Proceedings**

The Disciplinary Committee shall have the right to impose any one or more of the following sanctions for misconduct:

- o Permanent dismissal from the College, which may include permanently barring the student from the College premises;
- o Suspension, which may include barring the student from the College premises;
- o Restricting the student's right to participate in one or more College activities;
- o Probation;

- o Removal from the Residence Hall;
- o Such other sanctions as the Committee determines appropriate

Both the Respondent and Complainant will be informed in writing of the disciplinary proceedings and results immediately upon a decision that is considered final.

- **Appeal Procedures**

Either student has the right to appeal any action or determination of the Student Conduct Committee to the Title IX Coordinator. If the student appeals the decision and/or sanctions of the Student Conduct Committee should be made in writing and delivered within 10 business days to the Title IX Coordinator. The Title IX Coordinator will meet with the student to determine the validity of the appeal and/or the potential presentation of new evidence. The Title IX Coordinator shall impanel an Appeals Committee comprised of three impartial individuals (faculty or staff) who were not involved in the previous proceedings. These individuals will have been trained to handle VAWA and Title IX cases. Any decision by the Appeals Committee at this time becomes final.

- **Administrative Conclusion**

Both the Respondent and Complainant will be informed in writing of the disciplinary proceedings and results immediately upon a decision, which is considered final.

Education and Prevention

A goal of the LCAD Administration is to provide education and prevention tips to students and employees, regarding Sexual Violence Against Women. The College has established ongoing primary prevention and awareness programs for incoming Residence Hall Students, incoming freshmen, transfer students and newly hired employees, that educate and train the student body and employees on important definitions, bystander intervention, risk reduction and an emphasis on victims' rights and how to report incidents. For LCAD students, training and education are required of all incoming fall and winter students using the Everfi Haven Program, "Understanding Sexual Assault". Additional training takes place at the Residence

Hall Orientation and in our first semester College Skills class. For LCAD employees, initial information and training is provided during the new hire orientation meeting and annual prevention and awareness information training will be implemented each fall. New employees are also required to complete the Everfi Haven Program.

Poster sessions and free on-campus counseling are ways that LCAD supports and educates our community throughout the academic year. The LCAD Counselor can be reached by e-mailing counselor@lcad.edu. Contacting the Title IX Coordinator can be another way to

discuss counseling options either on-campus or referral to an off-campus mental health provider. The Counselor can assist the Complainant in finding support with victim advocacy, legal assistance and other services both on and off campus.

The College has invited professional speakers from the Sexual Assault Victims Service to discuss protecting yourself from Sexual Violence. The group also came to campus as a part of our Sexual Assault Awareness Month campaign with the Clothesline Project. Get Safe also comes to campus to teach our students self defense techniques throughout the school year and during orientation. Each Fall semester, the College views “Escalation”, a movie from the One Love Foundation which discusses Bystander Intervention. Small group discussions follow the movie and are facilitated by staff and student leaders.

The College partners with resources such as the Laguna Beach Police Department and Community Services Programs, Inc. (CSP) which is a component of Sexual Assault Victim Services (SAVS) and the Orange County Rape Crisis Center.

Bystander Intervention

An active bystander is a person who intervenes to interrupt behaviors in social situations that may lead to sexual violence. All members of the LCAD community should consider it their responsibility to intervene in potentially dangerous situations and to act. The five stages of effective bystander intervention are listed below:

STAGE ONE: Notice when a situation can lead to violence

STAGE TWO: Identify when it’s appropriate to intervene.

STAGE THREE: Recognize personal responsibility for intervention. STAGE

FOUR: Know how to intervene.

STAGE FIVE: Take action to intervene.

Some real lifetips:

- Believe someone who tells you they have been sexually assaulted, are in an abusive relationship or are experiencing stalking or cyber stalking.
 - Be respectful of yourself and others - make sure any sexual act you engage in is OK with your partner and check in every time you initiate greater intimacy. Is your partner enthusiastically giving consent - if not, check in with them and make sure you are both comfortable with what is going on.
 - Watch out for your friends and classmates -- if you come across someone who looks like they are in trouble, check in with them and make sure they are ok. If you see a friend doing something sketchy -- say something and tell them you are willing to help.
 - If you witness a person in a potentially harmful setting, get them away from the situation by distracting, removing or interrupting.
 - Speak up -- if someone says something offensive, derogatory, racist or abusive let him or her know that this behavior is wrong and not acceptable. Don't laugh at racist, sexist or homophobic jokes.
-
- Offering to drive an incapacitated friend home from a party or ensuring friends who are incapacitated do not leave the party or go to secluded places with others.
 - Encourage victims to seek medical care or counseling and remind them that this

is not their fault.

How to Protect Yourself

LCAD is pleased to list the following practices that will possibly reduce your risk of sexual assault. Although this list is not exhaustive, it is a good beginning in educating yourself on staying safe. We encourage you to review a list of resources that are listed under “Additional Resources”.

1. Be alert and walk with confidence and purpose.
2. Walk in well-lit areas and NEVER walk alone. Don't be afraid to ask a co-worker, friend or a Campus Safety Officer to walk you to your car.
3. Be aware of your surroundings.
4. Avoid drugs and alcohol as these tend to cloud judgment and clarity
5. Trust your instincts. If your gut is telling you something does not seem right, listen to it. Remove yourself safely from the situation.
6. If you think you are being followed, change directions and look for crowded places, open stores or restaurants.
7. Never open your doors to strangers.
8. Be wary of isolated spots such as laundry rooms, parking lots, empty classrooms, etc.

Recognizing Warning Signs of Abusive Behavior

- Frequent yelling directed at a partner
- Blaming partner for own faults
- Name-calling
- Consistently accusing partner of infidelity
- Kicking, holding, slapping and/or scratching
- Forcible sex or (e.g., wanting sex after hitting)
- Being afraid of your partner
- Watching what you say to avoid upsetting your partner
- Feeling isolated from your friends and family because of your relationship
