

2021–2022 Verification Worksheet

Independent Student - Tracking Group V5

Your 2021–2022 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you and your spouse (if married) reported on your FAFSA. To verify that you provided correct information the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid administrator at your school. Your school may ask for additional information. If you have questions about verification, contact your financial aid administrator as soon as possible so that your financial aid will not be delayed.

C. Independent Student's Income Information to Be Verified

1. TAX RETURN FILERS

Important Note: The instructions below apply to the student and spouse, if the student is married. Notify the financial aid office if the student or spouse filed separate IRS income tax returns for 2019 or had a change in marital status after the end of the 2019 tax year on December 31, 2019.

Instructions: Complete this section if the student and spouse filed or will file a 2019 IRS income tax return(s). The best way to verify income is by using the IRS Data Retrieval Tool (IRS DRT) that is part of FAFSA on the Web at FAFSA.gov. In most cases, no further documentation is needed to verify 2019 income information that was transferred into the student's FAFSA using the IRS DRT if that information was not changed.

In most cases, for electronic tax return filers, 2019 IRS income tax return information for the IRS DRT is available within 2–3 weeks after the 2019 electronic IRS income tax return has been accepted by the IRS. Generally, for filers of 2019 paper IRS income tax returns, the 2019 IRS income tax return information is available for the IRS DRT within 8–11 weeks after the 2019 paper IRS income tax return has been received by the IRS. Contact the financial aid office if more information is needed about using the IRS DRT.

Check the box that applies:

- The student has used the IRS DRT in FAFSA on the Web to transfer 2019 IRS income tax return information into the student's FAFSA.
- The student has not yet used the IRS DRT in FAFSA on the Web, but will use the tool to transfer 2019 IRS income tax return information into the student's FAFSA once the 2019 IRS income tax return has been filed.
- The student is unable or chooses not to use the IRS DRT in FAFSA on the Web, and instead will provide the school a 2019 IRS Tax Return Transcript(s).

To obtain a 2019 IRS Tax Return Transcript, go to www.irs.gov and click on the "Get Transcript of Your Tax Records" link. Make sure to request the "IRS Tax Return Transcript" and not the "IRS Tax Account Transcript." Use the Social Security Number (or the IRS individual taxpayer

identification number) and the date of birth of the first person listed on the 2019 IRS income tax return, and the address on file with the IRS (normally this will be the address used on the 2019 IRS income tax return). In most cases, for electronic filers, a 2019 IRS Tax Return Transcript may be requested from the IRS within 2–3 weeks after the 2019 IRS income tax return has been accepted by the IRS. Generally, for filers of 2019 paper IRS income tax returns, the 2019 IRS Tax Return Transcript may be requested within 8–11 weeks after the 2019 paper IRS income tax return has been received by the IRS.

If the student and spouse filed separate 2019 IRS income tax returns, 2019 IRS Tax Return Transcripts must be provided for both.

- Check here if a 2019 IRS Tax Return is provided.
- Check here if a 2019 IRS Tax Return will be provided later.

2. TAX RETURN NONFILERS

Instructions: Complete this section if the student and spouse (if married) will not file and are not required to file a 2019 income tax return with the IRS.

Check the box that applies:

- The student and spouse were not employed and had no income earned from work in 2019.
- The student and/or spouse were employed in 2019 and have listed below the names of all employers, the amount earned from each employer in 2019, and whether an IRS W-2 form is attached. Attach copies of all 2019 IRS W-2 forms issued to the student and spouse by employers. *List every employer even if they did not issue an IRS W-2 form. If more space is needed, attach a separate page with the student's name and Social Security Number at the top.*

Employer's Name	2019 Amount Earned	IRS W-2 Attached?
<i>ABC Shipping (example)</i>	<i>\$1,280</i>	<i>Yes</i>

Student Name: _____

Student ID Number: _____

D. High School Completion Status

You must submit documentation of high school completion or an equivalent along with this worksheet.

Check the box of the document you will attach to this worksheet:

- High school diploma or high school transcript including graduation date.

- A copy of the student's General Educational Development (GED) certificate, an official GED transcript that indicates the student passed the exam, or a state-authorized high school equivalent certificate

- For students who completed secondary education in a foreign country, a copy of the "secondary school leaving certificate" or other similar document.

- Academic transcript of a successfully completed two-year program acceptable for full credit toward a bachelor's degree.

- For a homeschooled student from a state where state law requires the student to obtain a secondary school completion credential for homeschool (other than a high school diploma or its recognized equivalent), a copy of that credential.

- For a homeschooled student from a state where state law does not require the student to obtain a secondary school completion credential for homeschool (other than a high school diploma or its recognized equivalent), a transcript or the equivalent, signed by the student's parent or guardian, that lists the secondary school courses the student completed and includes a statement that the student successfully completed a secondary school education in a homeschool setting.
