

CAREER SERVICES MISSION STATEMENT

Laguna College of Art + Design (LCAD) empowers students with the education and the skills required by today's complex and competitive creative job markets. LCAD endeavors to prepare students to apply for creative employment opportunities and career-specific internships that offer valuable, hands-on, professional experiences. LCAD Career Services staff actively works with employers to promote opportunities for students and alumni. Additionally, LCAD students benefit from deep industry contacts forged by LCAD's celebrated faculty.

In order to assist currently enrolled students, the LCAD intranet Job Board posts opportunities for employment, internships, competitions, and other art-related opportunities. Please contact the Career Services Office at careerservices@lcad.edu for more information.
